Dear Fellow Member,

This letter contains important information about the schedule for taking lifts out, docks out, and winter storage of boats.

The schedule this year for these events has been determined by the Board to accommodate a community event that is very important to the Club. This event, the Clark Lake Community Center Harvest Moon Party, is a community based fund raiser. The Clark Lake Yacht Club's participation is an unprecedented opportunity for the Club to showcase our facility, with the potential to attract new members. This event annually attracts over 100 people from the Clark Lake community. Accordingly, the Board has decided that no boat lifts or docks will be placed on the shore until after this event. Further, no boats will be permitted in the parking lot for winter storage until after this event as we will need every available parking place for this event. The Clark Lake Community Center Harvest Moon Party is scheduled for Saturday October 14.

Lifts Out – No lifts will be permitted to be placed on the shore until Sunday October 15. If you elect to remove your own lift, please notify the Dock Chairman, Bruce Nowak, no later than October 1 to arrange for a time when you can remove your lift. There will be a lift party on Sunday October 15 for those who wish to remove their own lift and want help from other lift owners. Any lift still in the water after October 15 will be removed by the Club, and the lift owner will be charged a \$50 lift removal fee.

Winter Storage – No boats will be permitted to be placed in the parking lot for winter storage until Sunday October 15. If you normally winter store your boat in the parking lot, and would like to pull your boat out before October 15, please contact the Dock Chairman, Bruce Nowak, for assignment to an open dry dock space (if available). Any boat in the parking lot or in dry dock storage after Tuesday October 31 will be assessed a winter storage fee of \$50.

The removal of docks for winter storage will begin on Monday October 16.

Warm regards,

Hugh Harris
Secretary/Treasurer
Clark Lake Yacht Club
