**Rebel Fleet No. 2
Interlake Fleet No. 7
Buccaneer Fleet No. 1
Sunfish Fleet No. 676**

**Member
US Sailing**

December 12, 2017

As the snow has arrived in Michigan before winter has officially begun, it is a pleasant warm thought to reflect on launching our boats again next spring.

The Board of Directors has prepared a calendar of events for the 2018 Yacht Club season which is posted on our website. While you are on the website, please take a look at the 2017 aerial pictures of the Fall Regatta. The pictures are spectacular and will show those who were not able or have never attended the Regatta just how beautiful our fleets of sailboats appear on the lake.

Richard O'Boyle has been working with a few of our members to continue to improve the Club House. If you have any ideas, expertise, or just a desire to help this group improve our building, please let us know. Volunteers will be most welcome and appreciated.

Bruce Nowak is expecting to improve the in and out procedures for docks and lifts this spring, since our installer has indicated he will be working with us again. By returning, the installer will have a much better understanding of what needs to be done. Bruce has spent many hours making sure the dock and lift process improves - thank you, Bruce!

The Fall Festival held by the Clark Lake Foundation at the Yacht Club was a huge success. This exposure to the public should return intangible future benefits. Thank you, Hugh Harris, for making this a part of our public outreach. And thank you, Bill Locke, for making sure, as you do every year, that the leaves on the ground were swept away.

We wish you a wonderful holiday season with your friends and family!

Very truly yours,

Larry Lewis
Commodore
