Dear CLYC Members:

Well, now that the summer is winding down, it is HOT out as I write this missive. We have been working hard at making up races the last couple of weeks, and hopefully we will have dry weather and favorable winds for our last series race on SATURDAY, August 30.

You don't want to miss the annual Labor Day party on September 1. From the invitation you all hopefully got, it sounds like a great time to eat, drink, play games, and enjoy the company of your CLYC friends.

Congrats again to Ron and Becky Meagher, who were married at the CLYC on August 8. I am told a good time was had by all.

A big "Thank You" to George Tomkins, who donated his mint condition Sunfish, along with an extra sail, to the Club. I am told George is not leaving us, and hopefully he will be back for many summers to race his own boat.

I am told that I am responsible for allocating rooms at the Club to people who desire overnight accommodations for the Invitational. So far, three rooms are spoken for. One for Larry and Patti Schmida, one for Nick Tanis, and one for an acquaintance of John Lowry whose name presently escapes me. Unless a person has been promised a room by me (I hope this power doesn't go to my head), he/she doesn't have a room.

Don't forget to mark your calendar for Saturday, November 1, for the Commodore's Ball. We are trying something different this year. It will be at the Clark Lake Golf Course (perhaps a buffet dinner), and hopefully will be less stuffy and better attended than recently.

It is also not too early to remind y'all of the annual Bill Locke Club leaf pickup "party" scheduled for Saturday, November 8. If we can get a good number of people, this job can be completed in 2-3 hours, and it makes next year's spring cleanup MUCH easier. Rumor has it there may be free beer afterwards, and Hinkley sweet rolls (Michigan's best) when you arrive.

If you'd like to get your Newsletter via e-mail, please contact Hugh Harris at 'hharris@voyager.net' to enroll.

That's all, folks.

Very truly yours,

Terry Klaasen
