Dear CLYC Members:

Even though the snow banks by my driveway are almost as tall as me, dock building is only six weeks away, so hang in there. An up to date calendar and renter/caretaker schedule are posted on the CLYC website, thanks to Neil Robb. You might like to know that Neil is now a bionic man, being the proud owner of a new hip.

We are going to try something new this year with the Commodore's Ball. Past Commodore Mark Ortiz, who is in charge, has arranged for it to be held at the Clark Lake Golf Club, on Hayes Rd. just south of CLYC. We hope to have it earlier than last year, less formal, and maybe a few bucks cheaper.

At its February meeting, your board of directors decided that we will again, and for the last time this year, discuss the issue of whether or not to revise the Club's policy of not allowing pontoon boats to be moored at the Club. We solicited input from the membership last year, and the response was sketchy and somewhat divided. Those who have already made their feelings known do not have to do so again. Others who want to do so need to communicate their feelings on this issue to a board member or mail or email them in in time for our meeting on March 3. Once we make a decision on that date, this will not be taken up again by this board.

If you have not already done so, please get your data sheets in to the Club ASAP, as it really helps in our planning.

Very truly yours,

Terry Klaasen
Commodore
