July 22, 2014

Dear CLYC Members:

Good news! Our support boat has been repaired and returned to us. It was used last Sunday to watch the sailors go out, float in one spot for a half hour or so, and try to find their way back in. Many thanks to Larry Lewis and others who volunteered their boats and possibly themselves to help out the sailors. Also, Larry Lewis has joined your board to replace Tony Winnie as raft and support boat committee chair.

The recent Hobie fleet 58 reunion was a resounding success, with about 25 boats participating in the race. We lent our committee boat, race official, support boat(s) and crew, and our marks to support the effort. Got a lot of goodwill and pub for our effort. We have invited the Hobies to be one of the fleets at our September Tim Dowling Invitational.

If you have the chance, welcome the Phil Navarre family as new members. They have that bright yellow sailboat you see at the east dock. They have rejoined after a time away.

Don't miss our annual late July cocktail party (adults only, please) this Saturday. Contact Ron Meagher/BeckyLiss for reservations. Only \$5.00 per person and bring a heavy hors d'oeuvre (think I spelled that right) to share. Also grill outs continue July 24 and the first and third Thursday in August.

Very truly yours,

Terry Klaasen
Commodore
