June 24, 2014

Dear CLYC Members:

It's newsletter time again for the CLYC, so here goes.

A thank you for a job well done goes to Scott Dowling, our Learn-To-Sail chairman. The classes were completed last weekend with six graduates who hopefully will turn into regular sailors. If you missed the classes, it's not too late. Call Scott (517-795-9933) and we'll find someone to teach you how to sail. You know how to sail, but have questions about how to improve your skill ? Again, call Scott and we'll get you the coaching you need. And don't forget, the Club has a growing fleet of sailboats for use by members who don't own a sailboat, or want to try something different. We now have four Sunfishes, two Lasers, and two Vanguard 420's available for use by members. Call Scott if you want to 'check out' one of these boats.

As you know, we have been having 'grill-outs' at the Club on the first and third Thursday of June, July, and August. Those who attend enjoy grilled chicken, hot dogs, and all the other things brought by the people who attend. A good time of fellowship is enjoyed by all. If you haven't tried it, you should. HOWEVER, a look at your calendar will tell you that the first Thursday in July is July 3. In view of all the other things going on that weekend, the July grill-outs will be held on the second and fourth Thursday, July 10 and July 24. And thanks to Nick Tanis for the new custom made grills that have been installed.

You won't want to miss the big Hobie Fleet 58 reunion on Sunday July 6. There will be a Hobie Cat race at 10:30am, followed by big doings at the Pointe. We will also have our regular Club races that afternoon.

We recently welcomed four new member families into the Club; James and Nicole Kamm, Ron and Wanda Traskos, Joe and Betsy Hemeryck, and Gordy and Mary McKinney. Please introduce yourselves and make them feel at home.

Don't forget the big July 4 party. It's always one of our most popular events and you don't want to be left out. Call Jack and Mary East at 734-995-0591 to make your reservation.

Very truly yours,

Terry Klaasen  
Commodore
