Dear CLYC Members:

Well, the season is over, and all the boats and docks are out (although I had a nice kayak ride and the Lowry's had a nice sail last Sunday), and this will be my last newsletter as your Commodore. I have enjoyed serving, and hope my service was satisfactory.

The fall work party was a success. Although we were few in number, we were hard working and finished what had to be done before lunch. We had lunch, using what we could of the Invitational leftovers, and went home. Thank you to all who came out and pitched in; and a special thanks to Kurt Rudolph who year in and year out sees that the house is up to snuff.

There are two things left on the calendar. The first is, of course, the annual Commodore's Ball on Saturday, November 1, at the Clark Lake Golf Club. Immediate Past Commodore Mark is offering a change of pace this year that we hope will increase attendance. You all should have received your invitations. We will elect officers and board members for next year, give out sailing and other awards, eat, drink, dance, and share stories and fellowship. Kids of all ages, from Josh Lowry to Woody Woodruff, are invited.

A week later, on November 8, at 10:00am will be the annual Bill Locke leaf blowaway. If we get a decent number of people with leaf blowers and/or rakes, we can get this done fairly quickly. Once again, there is a change in plans; and there WILL be free beer due to the fact that there is still beer remaining from the Invitational and the last board meeting, and we still have one refrigerator plugged in. If you still have 'work hours' to get in, this is your last chance this year.

If we don't see each other again, God Bless -- Spring is only six months away.

Very truly yours,

Terry Klaasen
Commodore
