Dear CLYC Members:

Well, the official sailing season has ended with the annual Tim Dowling Invitational Regatta. The Club facility and all Club watercraft (so far as we know) survived the Saturday squall in good order, and we had no human casualties. Mark Melling and Dave Nickels, it is reported were not so fortunate as both Rebel sailors broke masts. Congratulations to CLYC sailors John and Justin Lowry who brought home the first place award in the Rebel class.

What a beautiful week this was! I made it out to the Club twice, but there was NO WIND. Great for kayaking though.

Even though we are officially done sailing, there are three important "events" coming up:

1. Saturday and Sunday, October 4 & 5 -- Our fall work party. Many hands make light work. Come and get your work hours in putting stuff away and buttoning things down for the winter. We will start at 9:00 A.M. each day. There will be donuts in the morning and lunch.

2. Saturday, November 1 -- Our annual Commodore's Ball at Clark Lake Golf Club. Sailing awards will be given out. The torch will be passed to our new Commodore. The 'Member of the Year' will be honored. There will be eating and drinking, music and dancing. Y'all come!

3. Saturday, November 8 -- The annual leaf pickup at 9:00 A.M.. Let's gang up on the leaves and blow them away and rake them up. Although, contrary to a previous rumor, there will not be free beer; there will be Hinkley donuts and sweet rolls. We can finish this job by noon if we get enough people.

See you this weekend.

Very truly yours,

Terry Klaasen
Commodore
