It should not be too much longer before we can begin to enjoy consistent warm weather. Thanks to everyone who recently helped build 8 new dock sections, and to the members who showed up for our 2 day Spring Cleanup Party.

Sadly we have learned of the recent passing of former member Walter Vaclavik. Walt was a long time member, Sunfish sailor, and served on the Board as House Chairman in the 1990's. On a happier note, Woody and Phyllis Woodruff, members since 1969, celebrated their 65th wedding anniversary on April 22. Congratulations Woody and Phyllis !

It's that time of year to request your help in running the CLYC racing series. Using your Data Sheets, we recently assigned members to staff the Committee Raft and Support Boat for the 2015 racing season. These assignments count for 2 hours of work commitment. If you're on the schedule, you will receive a separate letter with the racing calendar and Committee Raft and Support Boat assignment listed.

Learn to Sail Classes will run July 11-18-25. Cost is \$35/individual and \$50/family. Scott Dowling is managing the Learn-To-Sail classes. Call Scott at 517-740-0103 to sign up for classes. If you're an experienced sailor, Scott would like your help rigging boats etc.

I hope to see you at the upcoming club activities.
