March 19, 2015

Dear Fellow Member:

Winter is finally finished and we can look forward to Spring and Summer. The ice is beginning to melt along the shoreline but it could be a couple of weeks before we have open water.

Reminder: By now you should have returned the 2015 CLYC Data Sheet and your 2015 CLYC Dues to Hugh Harris. The Dues Deadline is March 31. Mooring fees, if you keep a boat at the Club, are due by March 31. If you are renting a week at the Club this year, your rent payment is due by May 1.

New Members: Remember to welcome our 3 new member families: Sam Barber, Christy Jacobs, and Kirby North Ancona.

Upcoming Club Activities:

- April 4 Dock Build Party (bring your cordless drill; we will supply bits)
- April 11-12 Spring Work Party
- May 2 Docks are scheduled to be installed by May 2. You can launch your boat any time after the docks are in.
- May 3 Lift Installation Party (waders, gloves, etc.). If you have a lift, and you want it installed as part of the Lift Party, you must be present at the Lift Party, or send a representative.

I hope to see you at the upcoming club activities.

Remember to refer to the www.clarklakeyachtclub.org site if you have any questions. Book this site to you Favorites or add it to your Browser Toolbar.

All the Best!
