UPCOMING EVENTS

Note that the docks did not get installed by May 2nd as planned, so the 'Lift Party' and the 1st race of this season have both been delayed. Check the list below for the new dates.

May 09 Small Dock Build Party to build just 3 sections: 12:00 Noon.

May 10 Mother's Day

May 16 Dock installation completion date

May 17 Lifts-In Party (bring your gloves and your waders) Dock Chair is F Marin.

If you own a Lift, be present or send your representative.

May 24 Spring Season Racing starts. Racing Chair is Nick Tanis.

May 25 Annual Members Meeting @12:15 and Memorial Day Party @ 1:00 pm.

Important News – Membership is now a priority as we have lost 8 families (net) since last year. Our Club needs your help to recruit new members. Our best source of new members is friends and co-workers of current members.

Cheryl Fichtner desperately needs Chairpersons for parties this year. Being a Chairperson for a party is easy, all the tasks required are fully laid out for you, and you fulfill your annual work commitment.

The kitchen's doors and cabinets need refinishing/painting. We're looking for someone to take this on as a special project, or we may hire a painting company which may require a small onetime assessment to help defray costs.

Thanks go out to Hannah Locke and Rachel Lowry for organizing the 'garage' cleanup. They and their helpers did a great job. Please check the Front Porch for any items that may belong to you.

The Clark Lake Invasive Species Committee (a/k/a 'the weed busters') is circulating a petition requesting formation of a Special Assessment District (SAD). The SAD would collect money, via a tax, to pay for treatment of the lake to get rid of the weeds. Cost would be \$85 per property per year for 7 years. The CLYC Board has decided to support this effort and will sign the petition.

We have a lot going on at CLYC these days. We need your help and expertise so come out and get involved. I hope to see you at the upcoming club activities.

All the Best!

Frank W Hones
