Dear CLYC Member:

“Nothing is particularly hard if you divide it into small jobs”

Henry Ford

It's February and too cold to do anything on the lake, but that has not slowed your Board in its efforts to make your summer a joy. We are working on a new dock layout, improvements to the grounds and house. Please contact a Board member with an offer of your skills so we can keep costs down and the member owned, operated Club that we all love.

Frank Hones	517-414-0067

and Rick Joseph	517-782-3444

Rick has volunteered to coordinate the barn/shed project.

For more information on schedules of events, races or parties please check our web site.

On a sadder note, Alice Robinson passed away this past January. She and Don had been members since 1960. Both contributed greatly to the life and structure of the Club. Also, please drop a get well card to Paul Gies, member since 1978 who broke his arm and is re-habbing at Vista Grande.

On a brighter note, only 100 days to launch.

Until next month,

Nick Tanis
