US Sailing**

July 26, 2016

Dear CLYC Member:

Lots of fun activities on the calendar:

- The Kids Triathlon will be held on Sunday July 31. Come on out and watch the kids. Always a fun event.
- Raft-O-Rama will be on Sunday August 7. This has got to be the best parade event around. Come on out and watch all the crazy rafts float by.
- Thursday Night BBQ's are in full swing. Next BBQ's are July 28 and August 11.

You may have noticed a large weed bed at the end of the center/east dock. These weeds were treated on July 26 so should be gone soon. Weed treatments are done by a professional lake management firm to ensure that treatments are done safely and completely.

A Canvas Painting event was held on July 7. We had 28 aspiring artists participate. Check the picture of the artists and their canvases in the rolling pictures portion of our web site. This was a new event this year and is one of the new events we're adding to give members more fun stuff to do. If you have any ideas about other new activities that the Club can offer, please let one of the officers know. Thanks to Amy Locke for doing this very successful event.

Speaking of improvements, Rick Joseph and his crew are almost done with the garage. It looks fantastic ! This project was one of the first, and certainly a major effort, as part of our plans to update the Club facilities and grounds. More projects will done in the near future.

The Club is working on a plan to offer merchandise embroidered with our new logo to Club members. Initial items to be offered are a towel, sweatshirt, cooler bag, and duffle bag. Samples are being ordered and will be displayed at the Labor Day Party. Other items will be offered depending on interest of the members.

And finally, please welcome our newest member Dave Gallant. Dave has a powerboat on the west dock.

Respectfully,  
Your Commodore,  
Nick Tanis
