June 9, 2016

Dear CLYC Member:

“There are many points on the compass rose. I had to locate the few that were meant for me and head for those that summoned me with a passion, for they were the ones that gave meaning to my life”

Richard Bode

Yearbooks are in. Check the basket in the Great Room for your copy. Note the new logo, slogan, and ‘statement of purpose’ that have been added to the yearbook.

A great time was had by all at the Memorial Day Party. Good food. Good company. The 50/50 raffle was won by Patti Schmida who instantly made the Club the winner by donating her share back to the Club. Proceeds will be used to place flags on the docks to help keep the birds away and to add to the festive look of the docks. Thanks to Bill and Amy Locke and their committee for a great party.

The racing program is off to a slow but good start. Hone your sailing skills by joining the races every Sunday afternoon.

Speaking of racing, the University of Toledo Sailing Team (John Lowry is a member), finished first in the American Class and mid-pack overall in the EDHEC Sailing Cup, the world’s biggest intercollegiate offshore regatta that was held on April 15-23. Congratulations to the entire team !

The renter’s kitchen project is very near completion. Fresh bright paint and nautical knick knacks. Stop by and check it out. Thanks to Cheryl Fichtner and her crew for a job well done.

Speaking of improvements, Rick Joseph and his crew are doing a fantastic job on the garage, but need your help. All toys stored there need to be labeled (name) and stored only in designated areas. Also, please look over the piles of stuff outside the garage and remove anything there that belongs to you. Anything not claimed in the next few weeks will be pitched. And if you want to help Rick with painting or construction tasks, please call him and sign on to his team.

A large oak tree has been removed from the dry dock area near spaces 4 and 5. As a result, there is a large pile of logs. If you'd like to get some free firewood, come and get it.

Our next big events are the June Brunch on Sunday the 12<sup>th</sup>, and the July 4<sup>th</sup> BBQ.

Respectfully,  
Your Commodore,

Nick Tanis
