Dear CLYC Member:

“A little theory goes a long way towards developing an understanding of how a sailboat works, but getting in the boat and actually going sailing is more fun”
John Rousmaniere

The season is ending and the fun continues.

Time to close down the house and grounds. Good time to come out to get your work hour credits, and to get a 'free' lunch. Sunday October 9 is the backup date in case of rain.

October 8 – Commodores Ball

At the Pointe Restaurant again this year. Come on out for a great time, annual awards, and election of officers.
