April 12, 2017

Dear Fellow Member,

The Dock Building Party for April was extended for two weekends to get aluminum & wood docks refurbished and dock poles changed from augers to pads. Thanks go out to Bruce Nowak for organizing the operation and to Frank & Josie Hones for bring the equipment and doing the cutting and installing of pads on 80 poles.

The Spring Work Party on Saturday April 8th and Sunday the 9th was unable to complete all the club house cleaning. There are still jobs that need to be done. However, I want to thank Nick Tanis for hosting the event and those members who worked so hard on Saturday and Sunday.

Scheduling Party Chairs and Crews will be done in time for the 2017 season. Most Membership fees have been paid and Data sheets turned.

When I left the club on Sunday, April 9th the kitchen roof was almost complete by Tony Winnie, who did the work himself. Other special projects involving the Bath House, Club House Apartments and the grounds are moving along nicely. Please watch CLYC Updates as we can get ready for this year.

The club house can be opened on weekends for cleaning and earning work hours after Easter by calling me or a Board member. I am looking forward to the start of sailboat racing and seeing members at the club this spring and summer.

Sincerely,

Fritz Marin, Commodore
