Dear Fellow Member,

It is wonderful how as a Club we have embraced our revised concept of "Member Managed Sailing, Boating and Social Club". The biggest change is with responsibilities for those who chose to spend the week or weekend residing at the club house. Everyone shares in keeping the club house and ground clean and well kept. Just like Mom always said, "if you get it out, put it away". My mom also said it was OK to clean up something I didn't do. God Bless our Moms.

Our membership numbers started out this year on the down side, but we have rallied with enough new members to be back to our regular count. Please welcome our new members:

Steve and Anne Fleming and their children Serena and Mathias

Mark and Jenna Chmielewski and their children Zac, Sam, Brennen and Chris

Jack and Katie Marsh and their children Nicholas, Claire, and Madeline

Mark Sokol

Please give them all a huge welcome when you see them at the Club.

Democracy is a wonderful concept for governing yourself. So, if you ever thought you might want to help by being on an improvement committee or possibly a Board member, let me know or one of the other Board members listed in your Yearbook. There are opportunities to serve on committees to improve the club house, grounds, and docks.

Please watch your e-mail for updates and reminders of events scheduled for this fall; clean up parties, and docks and boats out scheduling. The Commodore's Ball will be held on Saturday, October 7, 2017 and that invitation will be snail mailed to all.

Summer is not over yet so come on out and enjoy your yacht club at Clark Lake, the water is fine and the weather is great.

Sincerely,

Fritz Marin, Commodore
