Dear Fellow Member,

The Docks are going in slowly but surely. We have added some finger docks and changed the configuration, too. Bruce Nowak and our installer are working side by side to insure the four docks are strong and inviting to new and longtime members. We are member managed and that means lots of work gets done with minimum cost

The Spring Work Party came with poor weather and there is still plenty to do. There is cleaning and moving the summer furniture out of storage. Please contact Richard O'Boyle (517-321-3716) if you would like to volunteer to help get some of tasks completed. Remember it counts for work hour credit.

Scheduling Party Chairs and Crews are complete. We still need a few chair people to organize some of the parties. Please contact Cheryl Fichtner to help her with all she has to do for the 2017 season.

The Executive Committee of the Board is meeting at my home on Monday May 22, to finalize plans for the "All Member Meeting" on May 29th's Memorial Day Party. We will be addressing future plans for improving our club.

This weekend is Mother's Day and the CLYC Board of Directors wishes everyone a pleasant Mother's Day, especially Mothers and Grandmothers.

Sincerely,

Fritz Marin, Commodore
