Dear Fellow Member,

The Labor Day Party was great. Lisa and Kurt Rudolph along with the entire CLYC member crew did a wonderful job with food and drinks. Everything at our club looks to be in excellent repair and that is due to how we as a member managed club work together.

There are two major events at our club grounds still to come this fall before we shut down for the winter. First, the Tim Dowling Invitational Regatta is this weekend. Some of the sailors will arrive on Friday, September 22nd. However, the regatta starts on Saturday and runs through Sunday. Please come out and help or just watch the races. Then Clark Lake Community Center Foundation will have their "Oktoberfest" on Saturday October 14th at our facilities. This will be a good opportunity to show off our Club and what we have to offer sailors, boaters and people interested in a family social club.

E-mails will be sent out to remind all of us about the Fall Clean Up Party. If you have service hours left or just want to lend a helping hand, please come out and join us. Bruce Nowak will keep us informed about boats, lifts and dock removal. It will be later this year to keep the grounds looking good for "Oktoberfest".

Our next members meeting will be at this year's Commodore's Ball on October 7 at The Point Bar and Grill. This is where we celebrate our sailors and elect new Directors to guide our Member Managed Sailing, Boating, and Social Club.

Please make you reservations for the Commodore's Ball by Sunday, October 1st. E-mail, text or call me to make your reservations. (517) 745-5542 or fm313@me.com

Sincerely,

Fritz Marin
Commodore
