Greetings,

Your board would like to wish you and your family the very best for the Holidays and 2019. We are already at work to help insure 2019 is a fun filled year for all with our first meeting of the new board being held on Monday, December 10th.

We have approved a budget for 2019 with no increase in dues and we are working to set dates for all of the planned activities for the year and we will get this info to you as soon as we can get everything in place. Another big thing we are working on is planned house improvements we want to get started this year and we will bring more info to you as soon as we can.

I truly believe we will have the best "Learn to Sail" program we have ever had in place this year so if you have ever wanted to learn more about sailing then this is the year. Make plans now!!! We will send the dates to you in the near future.

Logging is complete so anything on the ground is for the taking as firewood until Spring when we will make plans to get the property cleaned up so please help yourself.

We had some confusion this fall on the price to remove small lifts as we changed in the middle of the year to a new vendor with different rates to install and remove our lifts. The new price for 2019 will be \$90 for ALL lifts except single place jet ski lifts. So I see a lift party in our future for any small lift owners who want to participate. More to follow in early Spring!!

In closing, let me say – this is YOUR club! It is our job to facilitate your wishes if at all possible. So get involved with the club activities and talk to us if you have any ideas or concerns that will help improve our club.

Sincerely

Mike Britz
