**US Sailing**

February 18, 2018

This time last week we couldn't go anywhere with snow above the bottom of the cars stuck blocking our neighborhood streets at home. So this weekend definitely has us once again thinking Spring!

Neil Robb has really done a fantastic job with our [www.clarklakeyachtclub.org](http://www.clarklakeyachtclub.org) website. If you haven't browsed the site lately, you should. The pictures and videos are marvelous. Also consider liking our site on Facebook. The club exposure to our member's friends would be most appreciated. It's also really nice to see the Fall 2018 regatta dates and application ready on the website. It makes us think that summer is not far away!

Richard O'Boyle has continued to help your club's board members identify capital improvements that need to be done to our buildings inside and out. Updates will be coming as the board gathers more information and defines the scope of the work. Please remember that the board is open to your ideas, expertise, or desire to help us improve our buildings.

It is time to fill out and send your Data Sheet and Invoice with payment for the 2018 season so they are received by the club by March 31, 2018. These were mailed to our members on January 2, 2018. These documents will allow us to keep you as members in good standing and keep us from assigning your dock spaces to someone else.

We look forward to seeing all of you at the Club this spring and summer!

Very Truly Yours,

Larry Lewis  
Commodore
