**US Sailing**

August 25, 2018

Greetings,

The Labor Day Celebration on September 3rd with home smoked BBQ will be a wonderfully fun and tasteful way to end the summer season at the club. Call or email Bob Welsh today to make your reservation. Phone 517-782-1205/email [robertswelsh@aol.com](mailto:robertswelsh@aol.com). But wait...there's more to come...

Please save the weekend of September 22nd and 23rd on your calendar for the Fall Regatta. Even if you are not sailing or working on the Regatta, come out and watch what is usually five different fleets and more than 20 sailboats who have traveled from several states and countries to sail on Clark Lake together. It is quite a beautiful and photogenic sight. If you do have time to help, even a small part of the weekend, call Mike Britz (517-420-4230). No prior experience is necessary to help. Saturday lunch, Saturday dinner, and Sunday brunch are available for a nominal fee even if you aren't sailing in the regatta.

If you are interested in Radio Control (RC) Sailing models, Chad Lee would like you to email him ( [cleeman33@gmail.com](mailto:cleeman33@gmail.com) ). Chad would like to organize an RC sailing club at CLYC.

Please also save in your calendar Saturday, October 13th at 5:30pm for the Commodore's Dinner at The Pointe Restaurant. There are several newer club members that are willing to serve on the Board of Directors who will be at this dinner. Please come and help elect the new Board Members and support those willing to help make our club function. Invitations to this dinner will be sent to all members mid-September. Do feel free to bring guests with you to this dinner.

Finally, Bill Locke (517-784-7226) would like you to save the date Saturday, November 10th at 10am in your calendars for the Annual Leaf Clean Up. If you have them, bring leaf rakes, leaf blowers, trucks or quads to haul the leaf tarps on the club property.

We look forward to seeing you at Clark Lake.

Very Truly Yours,

Larry Lewis  
Commodore
