Greetings,

We had our first board meeting of the year on 2/11/19 so I wanted to give you a summary of items discussed.

First, we need your help this year with our Thursday evening BBQ's. We need to have folks step forward and take ownership of an event. We need Grill Masters for the following dates and I will take on the first scheduled cookout. We can post this info on our calendar for all to review.

June 6 th	Mike Britz	Hamburgers & Hotdogs	Ready at 6:30
June 20 th	Bruce Nowak	Chicken	Ready at 6:30
July 11 th			
July 25 th			
Aug. 8 th			
Aug. 22 nd			

As Grill Master for the evening you will purchase and cook the meat for the evening. Advise me ahead of time what meat you will cook and we will let folks know ahead of time so they have some idea of the best dish to bring to pass. We will have a collection box for donations and the club will cover any shortfall. So step up and tell me which date you can handle.

Next, I am very excited about this years "Learn to Sail" program put together by Craig Hamilton, Mike Wickerham and Bruce Nowak. Dates for the CLYC Legacy Learn To Sail are as follows:

- 3 shore school lessons – April 16, 23, 30 – 6:30 to 8:00 Clubhouse & grounds
 - 4 on-the water lessons - May 7, 14, 21, 28- 6:00 to dusk
- OR
- 4 on-the-water lessons - June 4, 11, 18, 25- 6:00 to dusk

If you have questions or would like to help run the classes please contact Mike Wickerham. (mikewickerham@ymail.com) **We will need your help to make this program successful.**

A very special "Thank You" goes out to Neil Robb who has given us a web site second to none!! He has invested a lot of time and effort into this web site and is now in the process of insuring it is safe for all to visit. He does a great job of keeping it up to date so please – USE IT!!! Everything you ever wanted to know about the club is there!!! And if you have any suggestions on how to make the site better serve club needs Neil wants to hear from you.

And finally, I want to thank Rick Joseph for all the time and effort he has invested in the physical upgrade plans for our Yacht Club. Thanks to his efforts we expect to present a cost estimate with plans to you for approval this Spring and, with your approval, will start work this fall.

You have a board that wants to do a good job for you so please feel free to talk to us if you have thoughts or questions.

Looking forward to Spring and seeing you at the lake.

Sincerely

Mike Britz
