NOTE: Your Board has refined the Clark Lake Yacht Club Referral Program for the year. Please read the following:

When a current CLYC member refers a new member who joins the club then the current CLYC member will receive the lesser of \$200 or 50% off their current year annual dues and the new member will also receive the lesser of \$200 or 50% off their first year dues. If a current member refers multiple new members then the current member's dues will be reduced by the lesser of \$200 or 50% for each new referral until the current member's dues are \$0. The club will not pay out any money for additional referrals. For more information, or to refer a prospective new member, call our Membership Chairman, Mark Sokoll, at 248-722-9963.

In each case the new member will pay the initiation fee and pay for their boat slip if needed.

Looking forward to seeing everyone at the parties in June and July

Sincerely

Mike Britz
