Greetings,

Don't forget to sign up for the Memorial Day Party on May 27<sup>th</sup>. And please help me thank Anne and Dave Huysen for taking charge of the party. These parties can't happen if we don't have a party chairman.

Also, we need someone to step up and run the Brunch on Sunday, June 9<sup>th</sup>. We will make sure we give you full support. So please – let us hear from you now.

I also need a grill master for Thursday , July 11<sup>th</sup> and Thursday , July 25<sup>th</sup>. Let me know which date works for you.

Just a reminder - we keep the calendar up to date so any time you have a question about activities just check the web site.

And another big thanks to Anne and Dave Huysen for all their time and money they have invested in upgrades to the house. Please take the time to check all the improvements to both upstairs and downstairs. Let them know if you like what you see.

The first sailboat race is scheduled for Sunday, May 26<sup>th</sup>. Just hope we have a nice day to kick off the season.

My final "Thank You" goes out to Rick Joseph and Richard O'Boyle. As I have been telling you, we need to make some much needed repairs to our clubhouse and these two guys have invested a lot of their time in identifying what needs to be done and how much it will cost. We will post a list of work and estimated cost at the club and we will discuss this at our meeting on May 27<sup>th</sup>.

Please help me welcome Brian Hilderley and Rick Mills (new members) when you see them at the lake.

Please be advised the lake will be treated for weed abatement probably the week of May 20<sup>th</sup> to May24<sup>th</sup>. The company that does the weed treatment will post signs on the shore when the treatment is done.

The docks are in so let's get our boats in the water!!!

Looking forward to seeing everyone at the party and meeting on May27<sup>th</sup>.

Sincerely

Mike Britz
