June 10, 2020

Hello Fellow Club Members

The club is returning slowly to a somewhat normal operation. The board has been cautious to protect your safety as we open up for the 2020 summer season. Your patience and understanding is appreciated.

The club is open for all activities except clubhouse use by the membership. It has been decided that the clubhouse should remain closed due to probability of close contact in the kitchen area. Rental to club members will be allowed and the families sharing the house together will determine social distancing. While at the club, please practice safe distancing and be diligent in sanitation practices. The bathhouse is open and will be cleaned weekly. It is advised that any surface you come in contact with be cleaned with soap and water before and after its use.

Dock installation has started and is moving very fast. This is the first year the club has used this company to install our docks. Quality of their work is noticeably better than previous dock installers. The delay this spring is due to the State of Michigan's lockdown and previous commitments with their long-standing clients. Their projected finish date 6/15 sounds great! Lifts are being put in at completed docks along the way.

Mowing has started after a very wet spring. Mowing will take place on a weekly basis. There are two tables and chairs on the deck and the third will be put out soon. As soon as the lifts are in we will move the picnic tables to the grass.

While at the club please bring your own cooler to keep your food and beverages cold. The BBQ next to bathhouse is available for use. Bring your own charcoal.

The July 4th party has been cancelled as have the Thursday night BBQs. BBQs may start again in July. The re-scheduling of events and dates will be addressed at the next board meeting as information on the virus's status becomes available.

First sailboat race is scheduled for Sunday June 21. We should be able to get in 10 weekends of racing this season.

And finally I'm pleased to announce that Jenna Chmielewski has agreed to fill in for Cheryl's term as Director/Social Chair. Jenna has many skills in event planning and group activities. The Chmielewski's Labor Day party was great last year. Let's hope we can open up further and they can put on another party for us this year.

This is what we know. If you have questions or concerns for the Commodore, please contact me and I will try to get you answers. My email address is irontrader59@gmail.com
