Fellow Club Members-

March 20, 2020

As we prepare for the coming 2020 season at CLYC I would like to take a little time to remind all of us of our duty to protect ourselves and loved ones from the Covid-19 virus. Please follow the precautions that I know everyone has learned, to stop the transmission of this pathogen. We need everyone to be healthy to enjoy everything that our club has to offer.

A reminder that your club dues and dock fees must be paid by March 31, 2020. If the current virus crisis causes you difficulty in paying your dues, please contact Hugh, our Secretary/Treasurer, to let him know. We want to do all we can to help our members through this difficult time.

There are new dock configurations being worked out to provide more dock space this season. A new dock chart will be available soon. Members who had spaces last year will have the same space, or requests for changes will be accommodated. Contact Tim Sprung, our Dock Chairman, if you have any questions.

The current virus crisis requires that the Dock Building Party scheduled for April 4, and the Spring Work Party scheduled for April 11 will need to be postponed. Both events will be rescheduled when it is reasonably safe. New dates will be announced as soon as they are known.

I look forward to helping everyone have a safe and enjoyable summer season.

If you have any questions for me as your 2020 Commodore please don't hesitate to contact me and I will try to get you an answer.
