Greetings Fellow Members

Spring is just a week away, and as the weather warms, our thoughts turn to water, friends, fun and sun! With the pandemic more under control, expectations for this year are hopeful. Whether it's a family day to enjoy the beauty of the lake or organized events with closer interactions, I feel the club can offer just the experience we all have been longing for. This is going to be a great summer at the Clark Lake Yacht Club!

The time has come to prepare the club for the summer. The Dock Building Party will be held on Saturday, April 3, and the Spring Work Party will be held on Saturday April 10. More info will be sent out in advance.

Renovation on both upstairs clubhouse bathrooms is nearing completion. New sinks, tubs, toilets and vanities have been installed. Richard O'Boyle is working on obtaining quotes for painting of these rooms this spring.

If you have submitted rental requests, confirmations are in the mail. Ann O'Harris is our new Club House Rental Manager. All house rental documents can be found on the club website under: Information for Members/Clubhouse Reservations. Check it out, if you would like to book a time to stay overnight in the clubhouse, I highly recommend you see what is still available. I believe an updated calendar will be uploaded soon.

All outstanding club dues and fees must be paid by March 31st. This includes 2021 membership dues, mooring fees and anything else owed to the club. House rental fees for 2021 are due by June 1st.

Nighttime overhead lighting of the grounds at the club will be updated with new LED fixtures. This will make walking near the west dock and returning to your vehicles after a fun day at the lake much safer. Rick Joseph has been attending to tasks that have made the grounds look great. More upgrades have been proposed and are under consideration.

We have now officially been living with Covid-19 for over one year. We all did a good job of keeping each other safe during this time. Congratulations to all that have made it this far and my sincere condolences to members dealing with the illness or who have lost someone they love. Come out to the club, use the facilities we offer and have a safe and memorable season.

Harry Sabourin
